

# Eco-Justice Center: Farm Corp Intern

Summer 2021

## Racine Area Youth Farm Corp Internship

The Eco-Justice Center looks to carry its environmental stewardship into the future by equipping tomorrow's conservation leaders with the skill necessary to sustain a vibrant local food movement. 2. **Serve as an empowering leader** and ambassador for food security by contributing to a local and just food system.
3. **Develop leadership skills** while working within a collaborative team.
4. **Other opportunities:** occasionally lead and interact with summer camp children ages 6-14; farm work may include animal chores for alpacas, goats, chickens, and geese.
